Dear Bernie:

Congratulations again on being selected to receive the Law School's Lifetime Achievement Award for 2004. You should know that you were the obvious and unanimous choice this year.

We take pride in your many accomplishments, and look forward to honoring you in the Spring. Nancy Brazzil and her staff will be in touch with you over the course of the next several months as plans for the awards dinner progress.

Again, congratulations on receiving this award. You are truly a credit to your *alma mater* and to our profession, which you have served so well.

Sincerely,

A handwritten signature in cursive script that reads "Bill".
